Operational From: 1st March 2021

Qualification Objectives

What does this qualification cover?

The objective of this qualification is to provide learners with the knowledge and skills required to work within the security risk management sector.

The qualification will support the role in the workplace allowing the opportunity to work for a multitude of organisations implementing risk management processes and procedures, as well as progressing personal and professional development.

Who is the qualification for?

This qualification is aimed at security risk management professionals who want to build on existing skillsets and update and validate their knowledge in the processes and practices of security risk management.

It will also support the development of those security risk management professionals who are new to and are seeking new opportunities within the security risk management sector and who are looking to develop their knowledge, understanding and practices.

Who supports this qualification?

The qualification has been developed in collaboration with Eventure Security and Logistics Limited.

Qualification Progression

What future education could this qualification lead to?

Learners could progress to further study/train at higher levels in the security risk management sector.

What future employment could this qualification lead to?

This qualification creates a number of opportunities for progression into employment in the security risk management sector.

Qualification Achievement

What are the entry requirements for the qualification?

Prior to registration learners are required to be:

- accurately identified
- at least 18 years of age
- working in a role which will allow demonstration of skills

How is the qualification achieved?

The learner will need to complete 4 mandatory units. This will include building portfolio of evidence meeting the assessment criteria.

What will be assessed?

Portfolio of evidence, which may include (but is not restricted to):

- Written assignments
- Critical incident/event analysis
- Oral presentation
- Reports
- Professional discussion

How will it be assessed?

This qualification contains 4 mandatory units to be completed by the learner. Each unit is comprised of a number of learning outcomes and assessment criteria which must all be achieved.

Learning outcomes that begin 'The learner will understand...' will be assessed through theory-based activities.

Learning outcomes that begin 'The learner will be able to...' are assessed through practical activities.

For example:

Learning outcomes

The learner will...

1. Understand risk management
2. Be able to review the organisation's environment and risk culture

Assessment criteria

The learner will...

- 1.1 Research the origins of risk management
- 1.2 Describe the purpose of a risk management framework
- 1.3 Describe the risk management process
- 2.1 Analyse the purpose of customising the risk management activity to the organisation
- 2.2 Explain the importance of identifying the organisation's commercial environment and risk culture
- 2.3 Analyse the organisation's internal and external environment

Qualification Delivery

What facilities and/or equipment are needed to deliver this qualification?

The approved centre is required to have:

- one or more delivery sites with facilities to support the programme of training and assessment
- equipment in place to facilitate the full programme of learning and assessment
- opportunities in the workplace for learners to carry out tasks/activities which allow them to generate evidence to meet assessment criteria.

SFJ Awards is an awarding organisation recognised and regulated by the Office of the Qualifications and Examinations Regulation (Ofqual) in England, Council for the Curriculum, Examinations and Assessment (CCEA) Regulation in Northern Ireland, Qualifications Wales in Wales, and SQA in Scotland.

SFJ Awards is part of the Workforce Development Trust, a not for profit organisation, together with Skills for Justice and Skills for Health. For over 10 years Skills for Health and Skills for Justice have been working with employers, Governments of the UK and agencies within the skills system, to better equip workforces with the right skills now and for the future. During this time both Skills for Health and Skills for Justice have earned an enviable reputation for their knowledge of the health and justice sectors and their proactive approach to the development of skills and qualifications, along with an ability to deliver genuinely workable solutions for the employers they represent. SFJ Awards is an awarding organisation that builds upon this reputation. We work with employers in the policing, community safety, legal, armed forces and health sectors and understand their specific challenges, enabling us to quality assure learning outcomes that are suited to the needs of the sectors.
