# Qualification Objectives

## What does this qualification cover?

Breathing apparatus instructors are required to regularly revalidate their competence in the role. The objective of this qualification is to confirm, and provide evidence of, breathing apparatus instructors' competence.

## Who is the qualification for?

This qualification is aimed at individuals who teach learners how to use breathing apparatus equipment.

## Who supports this qualification?

The qualification was developed in collaboration with Fire and Rescue Services.

# Qualification Progression

## What future education could this qualification lead to?

Learners could progress to other qualifications in the fire and rescue sector or alternatively develop their skills to assess learners in the workplace.

## What future employment could this qualification lead to?

This qualification revalidates learners' competence in instructing others in the use of breathing apparatus and therefore allows them to work as an instructor/trainer for fire and rescue services or organisations offering this training. It could lead to further training/assessing opportunities in the fire and rescue sector.

# Qualification Achievement

## What are the entry requirements for the qualification?

Prior to registration learners are required to:

- be accurately identified
- be at least 18 years of age
- have previously achieved the SFJ Awards Level 3 Award in Breathing Apparatus Instruction

## How is the qualification achieved?

The learner will need to achieve one mandatory unit.

## What will be assessed?

The learner is assessed against the learning outcomes and assessment criteria and must provide evidence to meet all the criteria. The learner's performance in the role will be assessed to revalidate their competence.

## How will it be assessed?

This qualification contains one mandatory unit to be completed by the learner. Each unit is comprised of a number of learning outcomes and assessment criteria which must all be achieved.

There are no knowledge-based learning outcomes in this qualification.

Learning outcomes that begin 'The learner will be able to...' are assessed through practical activities.

For example:

<b>Learning outcomes</b> The learner will...	<b>Assessment criteria</b> The learner will...
1. Be able to lead familiarisation with BA set and ancillary equipment	2.1 Explain features and purpose of BA set and ancillary equipment to learners 2.2 Demonstrate operation of BA set and ancillary equipment 2.3 Demonstrate procedure for checking condition and operational servicing of BA set and ancillary equipment

# Qualification Delivery

## What facilities and/or equipment are needed to deliver this qualification?

The approved centre is required to have:

- one or more delivery sites with facilities to support the programme of training and assessment
- equipment in place to facilitate the full programme of learning and assessment
- opportunities for learners to carry out tasks/activities which allow them to generate evidence to meet assessment criteria.

## What qualification materials support this qualification?

This qualification is supported by additional documents which must be read by all relevant personnel within approved centres approved to offer this qualification. These include:

- SFJ Awards Level 3 Award in Breathing Apparatus Qualifications Handbook, detailing unit specifications, learning outcomes and assessment criteria for the qualification
- SFJ Awards Centre Handbook

SFJ Awards is an awarding organisation recognised and regulated by the Office of the Qualifications and Examinations Regulation (Ofqual) in England, Council for the Curriculum, Examinations and Assessment (CCEA) Regulation in Northern Ireland, Qualifications Wales in Wales, and SQA in Scotland.

SFJ Awards is part of the Workforce Development Trust, a not-for-profit organisation, together with Skills for Justice and Skills for Health. For over 10 years Skills for Health and Skills for Justice have been working with employers, Governments of the UK and agencies within the skills system, to better equip workforces with the right skills now and for the future. During this time both Skills for Health and Skills for Justice have earned an enviable reputation for their knowledge of the health and justice sectors and their proactive approach to the development of skills and qualifications, along with an ability to deliver genuinely workable solutions for the employers they represent. SFJ Awards is an awarding organisation that builds upon this reputation. We work with employers in the policing, community safety, legal, armed forces and health sectors and understand their specific challenges, enabling us to quality assure learning outcomes that are suited to the needs of the sectors.
