

Community Safety Advisor End-Point Assessment

Maximum Government
Funding

Equivalent
qualification level

Typical programme
duration

The purpose of this occupation is to provide advice, guidance and interventions that support people to remain safe and reduce from risks of harm such as fire, falls, crime or due to the circumstances in which the individual is living. Community Safety Advisors work closely with the community, signposting and referring individuals to appropriate agencies as required.

Community Safety Advisor End-Point Assessment

Our End-Point Assessment Service

At SFJ Awards we pride ourselves on being customer and apprentice focused. This approach, combined with our sector expertise and assessment experience, ensures that employers and training providers are fully supported throughout the End-Point Assessment process by a dedicated End-Point Assessment services team.

Our offer includes:

A dedicated EPA contact at SFJ Awards who will support the end-to-end process from registration through to certification.

Ongoing guidance pre-EPA which includes unlimited support sessions and guidance materials for relevant staff delivered by SFJ Awards assessment and subject matter experts and including an onsite visit.

Guidance materials including mock tests, practice tasks and document templates and access to an e-portal which enables you to track your apprentices through the process.

Assessment and grading decisions carried out by independent assessors who are occupationally competent and experienced in EPA.
