

Intelligence Analyst End-Point Assessment

The purpose of this occupation is to work alongside others to identify patterns and trends and make sense of information data that is being handled. It will involve the close examination and interpretation of raw data, facts, statement, opinions, and ideas from a wide range of sources, to create an intelligence picture. An Intelligence Analyst will typically work in the following organisations: military, law enforcement, security, finance, and commerce.

Intelligence Analyst End-Point Assessment

Our End-Point Assessment Service

At SFJ Awards we pride ourselves on being customer and apprentice focused. This approach, combined with our sector expertise and assessment experience, ensures that employers and training providers are fully supported throughout the End-Point Assessment process by a dedicated End-Point Assessment services team.

Our offer includes:

A dedicated EPA contact at SFJ Awards who will support the end-to-end process from registration through to certification.

Ongoing guidance pre-EPA which includes unlimited support sessions and guidance materials for relevant staff delivered by SFJ Awards assessment and subject matter experts and including an onsite visit.

Guidance materials including mock tests, practice tasks and document templates and access to an e-portal which enables you to track your apprentices through the process.

Assessment and grading decisions carried out by independent assessors who are occupationally competent and experienced in EPA.
