

# Fire Safety Inspector End-Point Assessment

A fire safety inspector is a specialist role within protection. The broad purpose of the occupation is to assess the level of fire safety in the built environment and instigate improvements, where necessary, to preserve life, to reduce damage to property and the environment and to support economic growth.

## Towards End-Point Assessment

### On-Programme Training

Minimum on-programme duration as stated in the standard. In all cases this will be no less than 366 days but may be longer. Training off and on the job.

### Gateway requirements

- Diploma in Fire Safety (Fire Inspectors)
- Complete training towards English and maths qualifications in line with the apprenticeship funding rules.

Maximum Government Funding

Equivalent qualification level

Typical programme duration

## End-Point Assessment Methods

1

### Practical Assessment with questions

*This method has two components.*

Apprentices must be observed by an independent assessor who will take on the role of the 'Responsible Person'. There are 5 stages to the Practical Assessment:

- Preparation and Briefing
- Documentation Review
- Visual Inspection of Premise
- Post Audit Debrief
- Post Audit Questions

The practical assessment with questions must take 3 hours 15 minutes

2

### Professional discussion

60-minute professional discussion covering the following areas:

- Legislation, policies, and procedures
- Audit and enforcement
- Safeguarding
- Working with groups and individuals
- Working with other agencies.

Paper 1 (open book test – 1 hour)

Paper 2 (closed book test – 2 hours)

3

### Knowledge Test

# Fire Safety Inspector End-Point Assessment

## Our End-Point Assessment Service

At SFJ Awards we pride ourselves on being customer and apprentice focused. Our collaborative approach, combined with our sector expertise and assessment experience, ensures that employers and training providers are fully supported throughout the End-Point Assessment process by a dedicated End-Point Assessment services team.

Our offer includes:

A dedicated EPA contact at SFJ Awards who will support the end-to-end process from registration through to certification.

Ongoing guidance pre-EPA which includes unlimited support sessions and guidance materials for relevant staff delivered by SFJ Awards assessment and subject matter experts and including an onsite visit.

Guidance materials including mock tests, practice tasks and document templates and access to an e-portal which enables you to track your apprentices through the process.

Assessment and grading decisions carried out by independent assessors who are occupationally competent and experienced in EPA.
