

Fire Safety Inspector End-Point Assessment

A fire safety inspector is a specialist role within protection. The broad purpose of the occupation is to assess the level of fire safety in the built environment and instigate improvements, where necessary, to preserve life, to reduce damage to property and the environment, and to support economic growth.

Towards End-Point Assessment

On-Programme training:

Minimum on-programme duration as stated in the standard. In all cases this will be no less than 366 days but may be longer. Training off and on the job.

Gateway requirements:

Diploma in Fire Safety (Fire Inspectors). Complete training towards English and maths in line with the apprenticeship funding rules.

End-Point Assessment methods

1

Practical assessment with questions

Apprentices must be observed by an independent assessor who will take on the role of the 'Responsible Person'. There are 5 stages:

- Preparation and briefing
- Documentation review
- Visual inspection of premises
- Post-audit debrief
- Post-audit questions

3 hours 15 minutes duration.

2

Professional discussion

60 minutes professional discussion covering:

- Legislation, policies and procedures
- Audit and enforcement
- Safeguarding
- Working with groups and individuals
- Working with other agencies

Maximum Government Funding

Equivalent qualification level

Typical programme duration

3

Knowledge test

Paper 1: Open book test. 1 hour.
Paper 2: Closed book test. 2 hours.

Our End-Point Assessment service

At SFJ Awards we pride ourselves on being customer and apprentice focused. This collaborative approach, combined with our sector expertise and assessment experience, ensures that employers and training providers are fully supported throughout the End-Point Assessment process by a dedicated End-Point Assessment services team.

Our offer includes:

A dedicated EPA contact at SFJ Awards who will support the end-to-end process from registration through to certification.

Ongoing guidance pre-EPA which includes unlimited support sessions and guidance materials for relevant staff delivered by SFJ Awards assessment and subject matter experts and including an onsite visit.

Guidance materials including mock tests, practice tasks and document templates and access to an e-portal which enables you to track your apprentices through the process.

Assessment and grading decisions carried out by independent assessors who are occupationally competent and experienced in EPA.

EPA fee:	£1850 (remote)
